

# VoterVOICE

VoterVOICE is designed to help the IRTA membership become involved in governmental affairs. VoterVOICE utilizes internet technology to launch and manage grassroots lobbying campaigns. Once on line, the system will help guide you through the process of sending a message to the appropriate elected officials in your district for that particular issue. Using your home address, the system automatically matches you to your corresponding political district!

## Instructions for using VoterVOICE:

**Step 1:** Using the internet, go to the IRTA's website at [www.irtaonline.org](http://www.irtaonline.org).

**Step 2:** Log in to the "**Members Only**" section of the website. This requires a username and password. If you have forgotten the user name and password, please contact the staff at the IRTA for assistance at 1-800-728-4782, You may also create a new username and password, if you do not previously have one, by "left clicking" on the section: "**Login Help/Create Profile.**"

**Step 3:** Upon logging in to the members only section, "left click" on the web link titled "VoterVOICE" located on the left hand side of the web page.

**Step 4:** Left click on the web link titled "Please Click Here to go to VoterVOICE." This will direct you to the log in page for VoterVOICE. Then you'll see...

**Step 5: (Last step):** For those who have not previously registered to use VoterVOICE, please go to the user profile. This will prompt the new user to VoterVOICE to provide a minimal amount of information for purposes of matching you to your correct public officials. Upon registering with VoterVOICE (and VoterVOICE is a free service provided by the IRTA), you are free to use the online advocacy tool anytime. When you return, you may use the quick login (as seen to the left) for all future visits.
