

Cabaret is one of the most well-known Broadway musicals of all time, and it's because of the extraordinary songs, universal appeal and a spellbinding story that still holds true in today's world. Nominated for a total of 26 Tony Awards over three decades and winning a total of 12 including Best Musical and Best Revival of a Musical, *Cabaret* is exactly what musical theatre should be: entertaining, enlightening, provocative, edgy and a continuing reflection of our own lives. This groundbreaking musical was unlike anything audiences had seen back when it first premiered, and you'll feel the same way when it hits the Paramount stage.

It's the early 1930s in Berlin, and life is changing. On the horizon is an ugly and dangerous threat, but that's no concern for sensational cabaret singer Sally Bowles whose only goal in life is to have a good time. Sally soon finds herself living with a young writer visiting from America to work on a new novel. While their relationship moves beyond just being friends, around them the lives of citizens go from ordinary to a nightmare. Will Sally recognize her own selfishness, or will she look to the ground as the Nazis steamroll over everything she holds dear?
